

SAN ANGELO HEALTH FOUNDATION

Celebrating 30 Years of Community Impact and Announcing First Quarter Grant Recipients

A Legacy of Giving: 30 Years of Health and Community Support

This year marks a special milestone for the **San Angelo Health Foundation**—**30 years of investing in the well-being of our community**. Since our founding, we have been dedicated to funding projects that strengthen health, safety, and quality of life across the Concho Valley.

To celebrate this milestone, we invite you to join us for a special **30th Anniversary Reception**:

- **May 14, 2025**
- **4:00 – 6:00 p.m.**
- **Stephens Central Library, San Angelo**

This gathering will highlight the impact of our grant-making over the years and recognize those who make our mission possible. We hope to see you there!

First-Quarter Grant Recipients

Family Resource Network (Mason, Texas) – \$30,000 for program funding to provide resources and services to families in Mason County.

Frontera Healthcare Network – \$113,850
Funding the renovation of the Mason Clinic to enhance access to healthcare for rural communities.

Quail Valley Volunteer Fire Department – \$335,828

Constructing a second fire hall to better serve emergency response efforts in the Quail Valley area.

Texas Ramp Project – \$30,000

To build wheelchair ramps for residents in the Concho Valley.

SAVE THE DATE!
